Dear Dr. Statler + Staff -
and in loving memory of
a dear man, Dr. Kunkelholz.

For me and my family, the
choice for your practice to care for my
son's braces was clear - no advertising
told me, although my husband
shopped pricing, I always knew
~~that~~ he would come to you.

There is no better orthodontic
care anywhere, no kinder, more
professional staff and no honorable
orthodontic center who would
be willing to compromise and work
with us financially. It has
never felt like a financial arrangement,
but rather a blessing that you
seemed to want my son here as
a patient, not a payment from us.
Thank you for becoming a part of
our family and making us part of
STATLER ORTHODONTICS Family!

Sincerely,

Laura E. Johnson

Mother to Colton Johnson

Mother to Kay, Shane + Alex Howe - 3
adult children whom Dr. Kunkelholz -
11 years ago - saved a single
mother a lot of money by honestly
telling her (while seeing all 3 children
at no cost) that they had ideal
occlusions and didn't need braces.
